

Office for Worship Archdiocese of Washington

Implementation of the New Roman Missal Recommendations for Musical Settings

Beginning the First Sunday of Advent, November 27, 2011 parishes in the English-speaking world will be singing the newly translated texts of the Gloria, (Creed, if sung), the Sanctus/Holy and the Mystery of Faith (formerly the Memorial Acclamation.) More than 100 new and revised settings have been made available through publishing houses and individual composers. This is an overwhelming and unprecedented number of Mass settings for parish musicians to review.

The purpose of this music update is to help those who have not finalized their decisions to choose confidently among a group of settings that have been reviewed by pastoral musicians in the archdiocese. Parishes are not restricted to this list, but may use it as a guide.

In a separate announcement, Cardinal Wuerl, Archbishop of Washington, has given permission to begin singing the settings of the Gloria, Sanctus/Holy and Mystery of Faith in advance of the mandatory date. http://site.adw.org/pdfs/Advisory_Music_News%20and%20Parish%20Briefings.doc
